

The power of play Provocations

all resources provided

Covering National Quality Standards :

NQS 3.2.1
NQS 1.1.3
NQS 1.2.2

professional development overview

What is a play provocation? Look at the difference between a play provocation and an invitation to play.

Explore different examples of provocations and invitations and discuss what learning dispositions these promote.

Reflect on you own environments..... What works? What doesn't? Collaborate with others to gain inspiration and challenge ideas to help each space have an identity and purpose.
