

thinking outside the box

morning tea and all resources provided

Covering National Quality Standards :

- QA 1.1
- QA 3.1
- QA 3.2
- QA 3.3
- QA 6.3

3-hour professional development

professional development overview

Brief introduction to the Reggio Emilia Approach

Through understanding the approach, learn why reusing materials is so significant and how it works well with EYLF and National Quality Standards

How and where to access reusable materials

How reusable materials plays an important role in Reggio's 100 languages

Get down and dirty with reusable materials (hands on activity to take back to your centre)

The importance of environments and how we can make them engage with children
